Commissioner J.C.K.: I need a motion to suspend the normal course of business so that we can take care of some special business.

Commissioner Robert Minkler, Sr. made a motion to suspend the normal course of business which was seconded by Commissioner Jeffrey Moran and carried unanimously.

Commissioner J.C.K.: At this time, I’m going to turn the floor over to Commissioner Moran who is the Chairman of Personnel and he has a report for the full Board.

Commissioner J.M.: Good evening Mr. President, tonight we have eight fire fighter candidates who will be sworn in. The eight candidates are: Jeffrey Joyce, Eric Seniakevgh, Daniel Eagan, Kyle Figueredo, Andrea Schelmety, Ryan Hilliard, Alina Rivera and Rebecca Hagerty. Welcome to the Fire Department to the eight of you. I believe this is the largest group I ever had in District 1 that Mr. President, should address some of our staffing needs part time.

Commissioner J.C.K.: Okay, Chief do you want to explain a little bit about the process? I know the candidates know but maybe for some of the public.

Chief John Golden: Sure, first I would like to recognize the Board of Fire Commissioners for their commitment to the district. We got a lot of support on this

that they saw a need and they're adjusting the need and it's through their leadership that tonight is possible, okay. Under the leadership of John Kenny, who is the Board President, they've identified some potential threats or issues that the fire department is going to have and they're addressing them tonight. I need to thank the members of the administration. They've used a lot of resources and dedicated a lot of man hours to this process. For what your candidates experienced for us probably multiple those hours by an easy hundred for the things that we we've went through so I would be remiss if I didn't specifically thank Deputy Chief Paul, Deputy Chief Balog, Lisa Lanza, Maria for her assistance, and actually the Woodbridge PD who actually helped us with some of the logistics of background checks. Everyone working together is really what made this night happen and I know it's a long process but I thank you very much for sticking in there. The process consisted of the Civil Service test, things like that. The candidates took a test and they all got graded. We got the results and we started the process. It was an extensive background check that we went through and the Woodbridge Police Department helped us in that process. We had multiple interviews with every candidate and after the interviews and meeting everybody we are very comfortable as part of the administration to recommend the eight candidates that we have here tonight to the Board of Fire Commissioners. I'd like to thank you and congratulate you and wish you a long career here.

Commissioner J.C.K.: Does any of the Board members have anything to say before we move on? Okay, I have something to say but I'll wait until after we pass the resolution. Okay, I need a motion to move Resolution 2022-3-5.

Commissioner Jeffrey Moran made a motion to approve Resolution 2022-3-5 which was seconded by Commissioner Patrick Kenny and carried unanimously by roll call. Commissioner John Kenny – Yes; Commissioner Patrick Kenny – Yes; Commissioner Robert Minkler, Sr., - Yes; Commissioner Jay Barcellona – Yes; Commissioner Jeffrey Moran – Yes.

I know you are going to school together as a team which is really great and I know that some of you are a little bit more experienced so I know together as a team you guys will move forward and I know that the department welcomes you with open arms so thank you. Commissioner R.M.: Thank you.

Commissioner J.B.: Thank you.

Charles Kenny: The other thing I want to say, and I know was mentioned earlier but it needs to be raised again, congratulations to the administration, your staff, to the Commissioners and to Commissioner Howell tonight was a historic swearing-in. It is great to see the Board still continuing to move our fire department so it represents our community and by hiring three ladies on tonight that was a big step and I just want to acknowledge that and say congratulations to all of you for doing that, thank you.

Commissioner J.C.K.: Thank you.

Commissioner J.B.: Thank you.

Commissioner J.C.K.: Yes sir.

Todd Howell: For the record I am Todd Howell. I'd just like to congratulate Jay and Bob, Bob on his re-election and Jay on his election. I wish you all the very, very best. I hope you can keep up the good work that this Board has been doing for years and good luck in the future and thank you for allowing me to serve the taxpayers who voted me in. Thank you very much.

Commissioner J.C.K.: Yes sir.

Dave Hines, President Local 290 Firefighters of Woodbridge Township: I just want to thank the Board of Fire Commissioners for the hiring of staff. That was something that we greatly need and we appreciate that. We look forward to working with you on moving forward the district and I want to congratulate the commissioners on their election. Thank you very much.

I found out you hired three women fire fighters in Women's History Month which is really cool but how long have you been up there, fifteen years?

Commissioner T.H.: I served twenty-four years Mayor total. Six years back in the '70s and eighteen years recently.

John McCormac: So, this is the first time in 18+ years that you're sitting in a chair in the audience and not at the dais?

Commissioner J.C.K.: Okay, yes sir.

He's done a great job representing the people and the volunteers here. I also want to officially concede the election. It was a debate all over about how elections are run. I think its proper to concede and if you look at elections look what's going on in the Ukraine. You take these things for granted but you guys ran a great campaign and I congratulate both of you. It was great to see your beautiful families with you tonight. I know your families have been involved in town for years and so re-election is behind us and we got a great Grand Marshall here representing the fire company so we'll have a great March. March 13th is the parade with First Career Chief as our Grand Marshall, Charlie Kenny so I know we'll all be back together again. Thank you and have a good night.
